

# BOSSIER PARKS AND RECREATION COACHING APPLICATION

## READ BEFORE COMPLETING APPLICATION

The mission of the Bossier Parks and Recreation Youth Program is: to develop youth mentally and physically, to make fair play and good sportsmanship the primary objective of all competition, and to provide participation opportunities for each registrant. Coaches are the heart of youth sports. Coaches' actions can create positive and negative impressions, which youth may remember for a lifetime. For this reason, coaches are reminded of the positive and negative impact they can potentially have on youth.
