To: All Contractors
Subject: Water Meter Price Increase

As of January 1, 2011 our water meter prices will be increasing as shown below to cover the City of Bossier City's cost of materials.

Size of Meter Service (In Inches)	Cost
3/4".....	\$150.00
1".....	\$250.00
1-1/2".....	\$450.00
2".....	\$650.00
Connection permission for commercial meters over 2 inches shall be, per diameter inch of service line.....	\$600.00

This letter is to serve as public notice for changes to an Ordinance to add Ch. 114, Article II, Sec. 114-34, cost and condition of water meters; supervision of taps; tapping, to the code of ordinances. For any questions regarding this price increase, please refer to Ordinance 81. Thank you for your corporation in implementing the changes. If you have any questions in regards to these regulations, please do not hesitate to contact me at 318-741-8575.

Sincerely,

Ken Womack, CBO
