Mrs. Morehart explained this motion allows us to move forward to the Bossier City Council three ballot items to be presented to the voters – Bossier City Charter changes excluding the two more controversial changes the Division A and B At-Large Council election and the Term limits for 3 - four-year terms and sit out one four year term and run again which is what the state and school board operate under.

Various comments from commissioners and Mr. Ray.

Mr. Jeter asked about how we get it in final form.

Mr. Ray indicated we have done our job to send to the City Council. It would be appropriate to present it at the next meeting which would be September 24, 2024. He indicated the amendments are not changing but the ballot language would be handled by the City Council with an outside firm. It will to on the ballot as requested.

Mrs. Nottingham indicated it would come to the City Council as an ordinance and then a resolution to call for the election. Once that is done, make application to the bond commission.
