BEFORE ME, the undersigned authority, a Notary Public in and for said Parish and State, duly commissioned and qualified, personally came and appeared:

PECAN GROVE, INC., a Louisiana corporation authorized to do business in the State of Louisiana, represented herein by David W. Moore, its Vice President; and BELLAIRE HOMES, INC., a Louisiana corporation authorized to do business in the State of Louisiana, represented herein by its President, James S. Coleman, who declared:

That there has been filed for record in Bossier Parish, Louisiana, PECAN PARK SUBDIVISION, UNIT NO. FOUR (4), a subdivision of Bossier City, Bossier Parish, Louisiana, as shown by plat thereof recorded in Book 275, Page 455, Conveyance Records of Bossier Parish, Louisiana; that the said appearers are now the sole owners of the said subdivision in its entirety.

Appearers further declared that from this date forward said subdivision as shown on the plat referred to above is held, and shall be owned, held and conveyed subject to the following reservations, restrictions and covenants:

1.

All lots shall be used for residential purposes only. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single family dwelling not to exceed one story in height and a private garage for not more than two cars.

2.

No building shall be located on any lot nearer than 30 feet to the front lot line, nor 5 feet to an interior lot line, except that those residences located on lots 19 and 21 shall be located not nearer than 25 feet from the front lot line; no residence shall be located on those lots having a side street, namely lots 9, 13 and 28, nearer than 25 feet to the side street. For the purposes of this covenant, eaves, steps and open porches shall not be considered as part of the building provided however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

3.

The floor area of the main structure, exclusive of garage, carports, open porches, breezeways and exterior storage space, shall be not less than 1000 square feet.

4.

No dwelling shall be erected or placed on any lot having a width of less than 50 feet at the minimum building setback line.

5.

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat.

6.

No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may become an annoyance or nuisance to neighborhood.

7.

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any lot at any time as a residence either temporarily or permanently.

8.

No sign of any kind shall be displayed to public view on any lot except

one professional sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or rent, or signs used by builder to advertise the property during the construction and sales period.

9.

No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavation shafts be permitted upon, or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

10.

No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purposes.

11.

No lot shall be used for any commercial purpose whatsoever.

12.

No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste and such shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

13.

No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street line, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersection unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines. No trees or shrubs shall be planted or maintained in the neutral ground between the curb and sidewalk.

14.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

15.

No fences shall be constructed or allowed to remain nearer the street than any minimum building setback line or lines.

16.

Trucks with tonnage in excess of 3/4 ton shall not be permitted to park on the streets, driveways, or lots overnight, and no vehicle of any size which normally transports inflammatory or explosive cargo may be kept in this subdivision at any time.

17.

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants either to restrain violation or to recover damages.

18.

Invalidation of any one of these covenants by judgment or Court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

19.

Construction of new buildings only shall be permitted, it being the intent of this covenant to prohibit the moving of any existing building onto a lot and remodeling or converting same into a dwelling unit in this subdivision.

THUS DONE AND PASSED before me, Notary, and in the presence of the two undersigned competent witnesses on this the 6<sup>th</sup> day of January, 1961.
